How did you hear about BCC Intensives?

Acknowledgments — please initial that you understand each:

Acceptance follows a required assessment call; applying does not guarantee placement.

The program cost is \$2,250 for an individual intensive or \$3,500 for a couples intensive (which includes two counselors). A \$500 deposit reserves my intensive week, and the remaining balance is due before my intensive begins. If paying in full presents a hardship, I may contact BCC about a possible payment plan.

Travel, lodging, and meals are my responsibility (a recommended lodging list will be provided).

Intensives are held only at the BCC DuPage Office in Winfield, Illinois.
